

Future UN Translators required

Ages 2-18

Stamford American is
delighted to offer

Daily Foreign Language.

A choice of Mandarin or Spanish – the most important foreign languages – is part of the core daily curriculum from Nursery (age 2) through secondary school. However, our foreign language program is just one way in which we prepare students for multi-cultural appreciation and global citizenship.

We are ready and waiting to meet your budding UN Translator. Please introduce us.

STAMFORDAMERICAN
International School

Stamford offers an outstanding international education for students from 2 years through secondary school. We offer the rigorous IB Program – enhanced by American standards and a focus on languages – to equip your child for global citizenship.
